

## **Press Release**

**Houston, TX - May, 2008** - The Brock Group ("Brock") is pleased to announce the acquisition of Westcor Services Limited ("Westcor"), based in Vancouver, British Columbia. Westcor, with over 450 employees, is a leading supplier of insulation and fireproofing in Alberta Oil Sands and British Columbia. The acquisition will strengthen Brock's bundled services offering in the Alberta Oil Sands region, one of the world's largest proven reserves of oil and bitumen. The acquired operations will function under the direction of Pat Ross, CEO and President of Steeplejack, and Willi Hamm, COO of Steeplejack and Westcor.
