

**FOR IMMEDIATE RELEASE**

**THE BROCK GROUP ACQUIRES ATLANTIC INDUSTRIAL, INC. AND MIKEN SPECIALTIES, LTD.**

**Houston, TX** - The Brock Group ("Brock") is pleased to announce the acquisition of Atlantic Industrial Inc. ("Atlantic") and Miken Specialties, Ltd. ("Miken").

Atlantic, with approximately 1,800 employees performing services across 34 states, is one of the nation's largest providers of industrial scaffolding, insulation, and complementary services. Through its two operating subsidiaries, Atlantic Scaffolding Company ("ASC") and Atlantic Plant Services ("APS"), Atlantic is able to offer its customers both merit shop and union capabilities. The ASC operations are based out of La Porte, Texas, and will continue under the leadership of Craig Kaple. The APS operations are based out of Joliet, IL and will continue under the leadership of Darryl Schimeck. Both Craig and Darryl will report to Mike McGinnis, President of The Brock Group.

Miken, headquartered in Clute, Texas, has approximately 1,200 employees and is a leading provider of industrial scaffolding and insulation services across the Texas and Louisiana Gulf Coast region. Miken will continue under the leadership of Mike Scarborough, who will also be reporting to Mike McGinnis.

Jeff Davis, Brock's CEO, stated, "The addition of Atlantic and Miken to The Brock Group reinforces our objective of providing customers with a robust solution including a broad set of complementary services. Both Atlantic and Miken bring with them a strong reputation, great customer relationships, and a talented employee base."

Based in Houston, Texas, Brock is an international provider of industrial specialty services, including industrial scaffolding, insulation, coatings, and other complementary services, and is a leading multi-craft provider. Over its 60 year operating history, Brock has built an unrivaled reputation for integrity, quality service, and safety, and has become the service provider of choice for many of the world's largest industrial processing companies. With more than 14,000 skilled employees, Brock serves a diversified set of attractive end-markets, including the refinery, chemical, Canadian Oil Sands, fossil power generation, nuclear power generation, pulp and paper, food and beverage, and logistics end-markets.
