Effective July 10, 2009, Travis Brisco assumed the role of president of BSL, reporting to Mike McGinnis, president of The Brock Group, with each of the Regional Presidents reporting to Travis.

Reporting to Travis within BSL are:

- President, Region I, based in Baton Rouge, LA: Craig Kaple – Craig moved into this new role, replacing Dean Bordelon. While Craig has taken on this role, he will continue his duties as President of Atlantic Scaffolding.
- President, Region II, based in Beaumont, TX: Mike Fugitt – Mike previously served as VP of Operations for Region II and now assumes responsibility for the new Region II.
- President, Region III, based in Deer Park, TX: Danny Donaldson – No changes.
- President, Region IV, based in Kingsport, TN: Ron Bennett - This is a new operating region previously part of Region II.

With this reorganization, we trust that you will support everyone involved in working through this new operational structure. Everyone is critical to our success as we continue to navigate through a difficult economy. This re-organization will make us better, both in the short and long term, but it will necessitate all of us working together to accomplish our goals, regardless of company name, function or location.
